The AGM is an opportunity for members, stakeholders and the public to hear about LPNABC business. We present information on the previous year through:

1. Financial statements
2. A reports from the Executive Board
3. PN Canada Report

Registrants may propose resolutions to the Board at an AGM.

1. You send it to LPNABC 30 days before the date of the AGM.
2. The resolution complies with LPNABC's Bylaws.
3. The resolution is within the areas identified in the Duty and Objects of an Association.
4. The resolution is related to LPNABC's Mission, Vision and Values.

LPNABC will post any resolutions meeting the above criteria on their website for members to review. Then, these resolutions are presented at the AGM.
