Michelle Devia  
President  
Practical Nurses Canada

Dear Michelle Devia,

Thank you for sending in the application requesting that the Practical Nurses of Canada (PN Canada) receive Emerging Group status with the Canadian Network of Nursing Specialties at the Canadian Nurses Association.

We are very pleased to inform you, based on our recent review of your application form, that the Canadian Nurses Association (CNA) has determined that PN Canada meets the criteria to be an emerging member of the network. This qualifies you for financial assistance of \$500.00. A cheque for this amount will be forthcoming to assist PN Canada with expenses as you work to build your association.

If you have any questions or require further information, please do not hesitate to contact Margot McNamee, CNA's liaison for the network members at [mmcnamee@cna-aiic.ca](mailto:mmcnamee@cna-aiic.ca) or 1-800-361-8404, x222.

I wish to extend our best wishes to you and the members of PN Canada for success as you establish this national nursing association.

Sincerely,

A handwritten signature in black ink that reads 'Anne Sutherland Boal'.
